

Documentaries After Dark

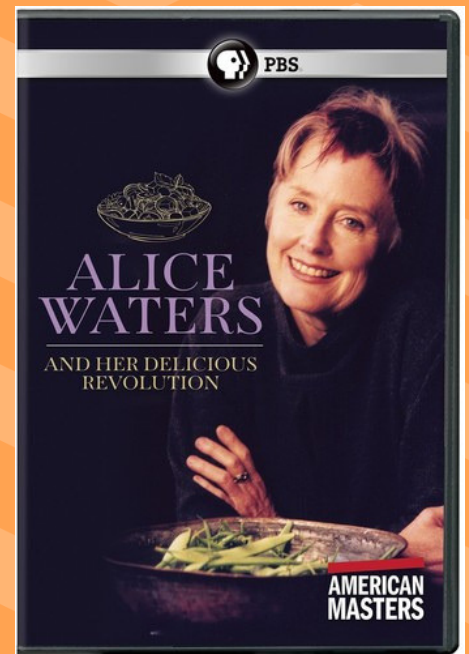

Mar 19 6:30pm

Inspiring and tragic, Bombshell is a bittersweet celebration and reclamation of Hedy Lemarr's journey from Hollywood legend to technology genius.

Apr 16 6:30pm

Obit shines an entertaining -- and overdue -- spotlight on an engaging group of people whose singular craft is too often taken for granted.

Jun 18 6:30pm

Follow Alice Waters through a year of shopping and cooking, and discover the vision of an artist and advocate, who has taken her gift for food and turned it into consciousness about the environment, nutrition, and a device for social change.

Films are not rated (unless otherwise noted) and are intended for adult audiences. Admission is free and light refreshments are served. Films begin promptly at 6:30pm.
